## DUNCAN COLLEGE

- Who has to do freshmen service points?
  - If you are a freshman at Duncan, you must do freshman service points!
  - If you have special needs (like you don't want to work around alcohol) make sure you take appropriate opportunities early
- What is a service point?
  - A service point is awarded for a pre-approved service to Duncan College, usually through one of our committees.
  - Service points are loosely weighted according to duration and required effort.
    - \* Most service point opportunities are worth 1-2 points.
  - Service to Rice or the larger community is great, but doesn't count towards Duncan College credit.
- How many do I need?
  - There are two service point thresholds.
    - \* You need 2 points in order to be eligible to enter room draw in the spring.
      - This means you are automatically kicked off campus your sophomore year if you don't have 2 points by the end of February.
    - \* You need 5 points in order to earn your Freshman point for room draw in early April.
      - This means if you don't get 5 points then you will select your room after everyone else for every year you are at Duncan until you complete your points or graduate.
- What if I'm a scholarship athlete?
  - Since we cannot kick scholarship athletes you are guaranteed a room regardless of how many points you do. However, you will still select your room last until you complete 5 points.
- How do I know about opportunities?
  - All opportunities will be announced via the Duncan listserve and will be available on a first come first serve basis.
- What happens if I sign up for an opportunity and then don't show up?
  - We really need to be able to depend on you if you sign up! If you are a no-show you will lose the points you would have gained. It is possible to have negative points.
- How do I know how many I have?
  - There will be a publicly viewable Google doc spreadsheet that will show exactly who has completed how many points
- What do I do once I've completed 5 points?
  - Sit back, relax, and find other ways to help out around Duncan!
